The Association came into being as a result of a proposal made by Air Vice Marshall Sir Charles Lambe KCB, and Miss Theo Watts, at that time Chairman and Hon. Secretary respectively of the Wirehaired Dachshund Club. The first show was held at Tattersalls in 1932 under the title of the Wire Haired Dachshund Club. In view of its success it was decided to repeat the venture and invitations were issued to the Southern and Longhaired Dachshund Clubs to join the Wirehaired Club in forming an Association in which the Smooths, Longs and Wires would be equally represented. Both Clubs accepted the invitation and the 1933 show was held under tri-partite representation, with an entry of 450. The registration of the title "The Great Joint Dachshund Association" was granted by the Kennel Club in 1937.

The Great Joint Dachshund show became an annual event until 1939 when the outbreak of war interrupted the Association's activities.

In 1946 the Wire and Longhaired Clubs staged a joint Championship Show for the two varieties. The following year the three Clubs staged a three breed event on the lines of the pre-war fixtures.

In 1948 the Miniature Dachshund Club joined the Association. In 1949 all five varieties of Dachshund competed for Challenge Certificates, the Miniature Wires gaining Certificates in 1961.

## WEIGHING OF MINIATURE DACHSHUNDS

### Health and Welfare Statement

The desired maximum weight of Miniature Dachshunds is 11 lbs. The Committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at The Great Joint Dachshund Association events is of the highest importance.

The Animal Welfare Act became law on 6 April 2007. The focus is now on the responsibility of the owner, as seen in the 'Duty of Care'. Those who own a dog are legally responsible for its welfare, otherwise they may be found to be committing a 'Welfare Offence'.

The Committee may take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired maximum weight requirement for Miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by judges.

**Entries for the Kennel Club Breeders Competition must be made with the Secretary by 12 noon or before the end of that particular breed's judging, whichever is the earlier.**

## DEFINITION OF CLASSES

The word 'dog' includes both sexes

In the following Definitions a Challenge Certificate includes any show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Show.

In the case of a dog owned in partnership and entered in Members' Classes or competing for Members' Specials, each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class, i.e Monday 3rd October 2011.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value. A dog is not eligible for entry in Variety classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:

- 1 A puppy, unless a class for dogs under 12 months of age for which it is eligible is provided for the breed.
- 2 A dog in AV Field Trial or Working Trial Class
- 3 A dog in AV Veteran
- 4 A dog in AV Champion Class
- 5 As provided in Kennel Club Definitions of Classes
- 6 A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(i) *Withdrawal*: The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20;

(ii) *Transfer*

- (a) if a dog is ineligible for a class as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
- (b) If an exhibit is entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct breed, colour, sex weight or height.
- (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height,
- (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

MINOR PUPPY	For dogs of six and not exceeding nine calendar months of age on the first day of the Show.
PUPPY	For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.
JUNIOR	For dogs of six and not exceeding eighteen calendar months of age on the first day of the Show.
POST GRADUATE	For dogs which have not won a Challenge Certificate or five or more First Prizes at Championship Shows in Post Graduate, Minor Limit, Mid Limit, Limit and Open classes, whether restricted or not where Challenge Certificates were offered for the breed.
LIMIT	For dogs which have not become show Champions under the Kennel Club Regulations or under the rules of any governing body recognised by the Kennel Club or won 7 or more First Prizes in all at Championship Shows in Limit or Open Classes confined to the Breed, whether restricted or not at Shows where Challenge Certificates were offered for the breed.
OPEN	For all dogs of the breeds for which the class is provided and eligible for entry at the Show.
VETERAN	For dogs of not less than seven years of age on the day of the Show.
NOT FOR COMPETITION	Dogs will be accepted Not for Competition at a fee of £1.00 per dog. They must be Kennel Club Registered and details must be entered on the entry form.

## RULES AND REGULATIONS

- 1 The Show will open at 9.30 am,
- 2 Dogs will be received at any time but it is the exhibitor's responsibility to ensure that exhibits are available for judging when required.
- 3 Judging will commence at 10.30 a.m. in all rings.
- 4 The Show will close half an hour after all judging has been completed by which time dogs must be removed. Exhibits may be removed from the Show after their judging has been completed. Exhibits may not be removed any earlier unless by written order of the Veterinary Surgeon, Veterinary Practitioner or of the Show Management, and then only in very exceptional and unforeseen circumstances which must be reported to the Kennel Club.
- 5 The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.
- 6 ENTRY FEES:  
£9.00 per dog for the first entry and £1.00 for each subsequent class with same dog.  
£1.00 Not for Competition. Catalogues £2.50 pre-paid only available.
- 7 PRIZE MONEY: 1st £5, 2nd £4, 3rd £3, Res. £2, VHC £1 and any donated specials which will be listed in the catalogue.

- 10 The mating of bitches within the precincts of the show is forbidden.
- 11 **BEST PUPPY IN SHOW:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it will be automatically Best Puppy in Breed and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy In Breed and Best Puppy in Show respectively. Consequently selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.  
*Withdrawal from Competition:* Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition other than breed classes and Best Puppy in Breed, prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show however, must not compete in any subsequent competition. Puppies may be withdrawn from Any Variety Classes when judged before Breed Classes.  
*Proviso:* For the purpose of this Regulation dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
- 12 **BEST IN SHOW:** The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from all unbeaten winning dogs. Reserve Best in Show must be selected from dogs beaten only by the dog declared Best in Show,
  - (a) Best of Breed. Where a breed is separately classified a Best of Breed must be declared. Where separate classes are provided for each sex of a breed a Best of each Sex must be selected from which the Best of Breed must be declared from those exhibits which have received an award.  
*Withdrawal from Competition:* Dogs which become eligible for Best in Show may be withdrawn from all other competition other than breed classes and Best of Breed prior to the competition for Best in Show in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from Any Variety classes when judged before Breed classes.  
*Proviso:* For the purpose of this Regulation dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be beaten dogs.
- 13 Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with special permission of the Show Management.
- 14 No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- 15 All exhibitor's must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 16 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 17 Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

- 18 Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. Puppies of four calendar months of age and over may be entered Not For Competition.
- 19 **DOG FOULING & GROOMING WASTE:** Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog/s and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches. As required of any organisation holding a Kennel Club Licensed event, adequate receptacles for the disposal of such fouling will be provided.
- 20 The Committee of the show can accept no responsibility for products advertised or sold by stand holders at the show, and remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
- 21 Exhibitors passes will not be sent but will be given out at the show. If acknowledgement of entries is required, an addressed stamped card with 'RECEIPT' written on the reverse side should be enclosed for the Show Manager's signature. **ENTRY FEES ONCE RECEIVED CANNOT BE REFUNDED.**
- 22 Should any judge be prevented from fulfilling their appointment the Committee reserve the right to appoint another to fulfill the duty. Exhibitors are at liberty to withdraw from competition but no entry fees can be returned.
- 23 The Judge will be instructed and empowered to withhold the prize or prizes in any class if, in his opinion, the dogs exhibited do not possess sufficient merit. The Judge is not empowered to give prizes beyond those offered in this schedule and such awards shall not be counted as a win except consent of the Secretary first being obtained in writing.
- 24 Exhibitors showing their dogs are not permitted to hold conversation with the Judge. Anyone continually doing so after being requested not to by the Ring Steward, the Judge or any of the Committee may be disqualified and any prizes awarded to his or her dog forfeited.
- 25 An announcement prior to the closing of entries in "Our Dogs" & "Dog World" of any alteration made by the Committee to the Schedule shall be deemed sufficient notice thereof.
- 26 The Kennel Club Authority to Compete number for dogs resident outside the UK must be stated on the entry form or the entry will be returned.
- 27 No animal other than an exhibit shall be brought into the precincts of a Dog Show during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the General Committee.
